

DEAR COLLEAGUES!

The Belarusian State Agricultural Academy (BSAA) together with the Centre of Aquaculture Centres in Central and Eastern Europe (NACEE) invites you to take part in the VI International Young researchers' Conference of NACEE. The conference will take place on **November, 28 – December, 1, 2017 in Gorki (Republic of Belarus)**. We invite students, PhD and MSc students and other young researchers.

SCIENTIFIC FIELDS:

1. Fisheries and aquaculture.
2. Ichthyology.
3. Water bioresources.

The conference will take place at the Ichthyology and Fisheries Department of the BSAA (<http://baa.by/facultet/zoofac/kafedra/ribovodstva/>), one of the largest multi-profile agricultural universities in The Commonwealth of Independent States (baa.by).

The conference will include oral and poster presentations. Publishing a paper without attendance is also possible.

Languages of the conference: Russian, Byelorussian and English.

The conference hall is equipped with multimedia equipment, including microphones, a computer, a multimedia projector and a screen for accompanying the presentations with slides.

For personal participation in the conference, you need to send a filled **application form** (Annex 1) till the **6th of November** to both these e-mails:

young.nacee2017@mail.ru

nacee.new@gmail.com

Organization fee is:

25 euro for NACEE members

30 euro for non-NACEE members.

Participation without attendance is **free**.

You can check if your organization is a NACEE member here:

http://www.nacee.eu/en/about_nacee/

Payment will be done at the conference, in cash in Belorussian roubles, according to the Central Bank Exchange Rate on 28.11.07.

A participation fee includes accommodation in the comfortable BSAA student hostel in double-rooms with private facilities and a kitchenette, full board in the hostel canteen and costs for organization.

Participants can also organize their accommodation in the other place (<http://gorkom.by/news/glavnye-novosti/gostinica-pronya>). In this case, participation fee will be **5 euro**.

After the conference, all articles will be published. Publication is planned 6-8 month after the conference. Publication is **free** for all participants. You will find additional information in Annex 2.

Young researchers (also PhD and MSc students together with their leaders) can publish their articles in a previewed scientific journal of the BSAA called «Animal husbandry and veterinary», which is recommended for publishing of PhD related articles. In the case of a high scientific level, the article will be published during 6 months. Publication is **free of charge**.

You can find more details about the journal here:
